

reflecta LP-PC

Now it is very easy to digitize your long-playing-records. With the reflecta RecordPlayer **LP-PC** you can digitize your long-playing-records easily into digital music files.

Just connect the RecordPlayer by USB-Interface to the computer. The reflecta RecordPlayer **LP-PC** is compatible with Windows and Mac.

With the included Audio Software you can directly import the music and edit your digitalized long-playing-record collection at your computer by deleting clicks and other unrequested noises.
